## KITCHEN TABLE

*Enjoy our seven-course degustation, created by the chefs every night with an option of matching wines, on our kitchen table. The table is located inside the kitchen, with the opportunity to see our kitchen team in action during a busy service. A truly unique opportunity to see 'behind the scenes'.*

The degustation menu is  
\$120 per person  
with matching wine an additional \$70 per person  
Suitable for groups between 2 - 6 people

Booking in advance is essential, and full prepayment is required to secure the table.

Please note: While Mat and the palate team are usually happy to accommodate dietary requirements, this does not extend to this particular menu format and dining experience.

Palate's degustation menu is a true expression of Mat and his team's philosophy and innovation in both food and wine.
